

My home, car and work radios are tuned to K-Love stations every day, the K-Love station gives me a positive outlook each day. If the K-Love station would be replaced by other programming my radios would be turned off and I would only listen to CDs for the same type of music that K-Love offers. I believe K-Love's positive messages makes the world a much better place. I did not understand why good programs are replaced or always threatened to be replaced by bad useless programs. Please DO NOT TAKE AWAY MY K-LOVE STATION!!
